The District has obtained from the Director of the Department of Industrial Relations the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the work is to be performed for each craft, classification, and/or type of work needed to execute the contract. Copies of schedules of rates so determined are on file at the district Office of Maintenance & Operations. The Contractor

shall post a copy of the determination of prevailing rate of wages at the job site. The schedule of per diem wages is based upon a working day of eight (8) hours and the rate for holiday and overtime work shall be in accordance with the applicable provisions of the California Labor Code. The Contractor and any subcontractor(s) shall pay not less than the specified prevailing rates of wages to all workers employed by them in the execution of the contract.

A payment bond and performance bond will be required prior to the execution of the contract. The payment bond and performance bond shall be in the form and amount set forth in the contract documents.

In accordance with provisions of Public Contract Code §22300, substitution of eligible and equivalent securities for any monies withheld to ensure performance under this contract will be permitted at the request and expense of the Contractor.

No bidder may withdraw his bid for a period of ninety (90) days after the date set for the opening of bids.

The District reserves the right to reject any and all bids or to waive irregularities in any bid.
