Award of Contract: The District shall award the Contract for the Project to the bidder submitting the lowest bid as is deemed responsible by the District. In the event of this bid containing additive or deductive alternates, the lowest bid shall be determined in a manner that prevents any information that would identify any of the bidders from being revealed to the public entity before ranking of all bidders from lowest to highest has been determined. District may give a notice to proceed within sixty (60) days of the award of the Contract by the District. Once Contractor has received the notice to proceed, Contractor shall complete the work as provided for in Specification Section 1320 Project Construction Schedule.

In the event the District desires to postpone the giving of the notice to proceed beyond this sixty (60) day period, it is expressly understood that with reasonable notice to the Contractor, the giving of the date to proceed may be postponed by District. It is further expressly understood by Contractor, that Contractor shall not be entitled to any claim of additional compensation as a result of the postponement of the giving of the notice to proceed.

If Contractor believes that a postponement will cause a hardship to Contractor, such Contractor may terminate the contract with written notice to District within ten (10) days after receipt by Contractor of District's notice of postponement. It is further understood by Contractor that in the event that Contractor terminates the contract as a result of postponement by the District, the District shall only be obligated to pay Contractor for the work that Contractor had performed at the time of notification of postponement. Should Contractor terminate the contract as a result of a notice of postponement, District shall have the authority to award the contract to the next lowest responsible bidder.

The District reserves the right to reject any or all bids and/or waive any irregularities or informalities in any bid or in the bid process
